

Genesis 1:1 – God Created.

- I. Genesis-beginnings, origins or generations; passed from Adam to Moses.

The beginning of time, earthly life & beauty, law, sin, judgement, sacrifice, marriage, the promise of the Messiah, God's choice of Abram, nations, governance, civilization...God's revelation to us.

- II. In the beginning – when time was set ticking at a certain point in infinity.

Time is a measure in which events can be ordered from the past through the present into the future, and also the measure of durations of events and the intervals between them.

- III. God (Elohim).

A plural-word describing Deity, Strength and Power (Father, Son and Holy Spirit). Indescribable, infinite, invisible, all powerful, all knowing, all present...

John 1:18 - *No one has seen God at any time. The only begotten Son, who is in the bosom of the Father, He has declared Him.*

John 4:24 - *“God is Spirit, and those who worship Him must worship in spirit and truth.”*

There is but one only living and true God, who is infinite in being and perfection, a most pure spirit, invisible, without body, parts, or passions, immutable, immense, eternal, incomprehensible, almighty, most wise, most holy, most free, most absolute, working all things according to the counsel of his own immutable and most righteous will, for his own glory, most loving, gracious, merciful, long-suffering, abundant in goodness and truth, forgiving iniquity, transgression, and sin; the rewarder of them that diligently seek him; and withal most just and terrible in his judgments; hating all sin; and who will by no means clear the guilty.
Westminster Confession Of Faith.

- IV. Created

Creation, in its strict sense of producing something out of nothing; great power, great beauty, great accuracy and exactness, great order, great mysteries...

- V. The heaven and the earth.

Land, air and water.

The Milky Way is a barred spiral galaxy that has a diameter usually considered to be about 100,000–120,000 light-years but may be 150,000–180,000 light-years. A

light year is well over 9 trillion kilometres (or about 6 trillion miles. The Milky Way is estimated to contain 200–400 billion stars, although this number may be as high as one trillion. There are probably at least 100 billion planets in the Milky Way.

a. Evolution –

The theory of evolution by natural selection, first formulated in Darwin's book "On the Origin of Species" in 1859, is the process by which organisms change over time as a result of changes in heritable physical or behavioural traits. Changes that allow an organism to better adapt to its environment will help it survive and have more offspring.

- Chemical Evolution -The formation of complex organic molecules from simpler inorganic molecules through chemical reactions in...less than a billion years.
- Big Bang Theory - The model accounts for the fact that the universe expanded from a very high density and high temperature state.
- Intelligent design (ID) is the pseudoscientific view that "certain features of the universe and of living things are best explained by an intelligent cause, not an undirected process such as natural selection.

Psalm 14:1 - *The fool has said in his heart, "There is **no God**." They are corrupt, they have done abominable works, there is none who does good.*

Darwin confessed, "To suppose that the eye with all its inimitable contrivances for adjusting the focus to different distances, for admitting different amounts of light, and for the correction of spherical and chromatic aberration, could have been formed by natural selection, seems, I freely confess, absurd in the highest degree." <http://www.darwins-theory-of-evolution.com/#sthash.sTACpkX0.dpuf>

Romans 1:20-23 - *For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. Professing to be wise, they became fools, and changed the glory of the incorruptible God into an image made like corruptible man—and birds and four-footed animals and creeping things.*

1 Timothy 1:17 - *Now to the King eternal, immortal, invisible, to God who alone is wise, be honour and glory forever and ever. Amen.*
